FORWARD

The prophet that hath a dream, let him tell a dream; and he that hath my word, let him speak my work faithfully. What is the chaff to the wheat? Saith the Lord.

Is not my word like a fire? Saith the Lord; and like a hammer hat breaketh the rock in pieces? Jer. 23:28-29.

Dreams generally refer to vision which one sees or receives while in a state of sleep.

Dream can also refer to a picture of the future which one sees in his mind or his imagination.

While dreams should not be waved away by merely disregarding them, we should also realize that dreams are not the final authority of your life. A man can rule over his dreams by consciously applying the word of God, especially where the dream is unfavourable.

God sometimes speaks through dream, Satan also uses dreams to intimidate and frustrate people. But the word of God is superior to every dreams and will remain so forever. So let no man be afraid when you receive negative dreams and see horrifull sense in your dreams, use God's word to cancel them. Some people build their lives around dreams and even believe their dreams more than they believe God's word, such persons are already deceived and will remain caged by Satanic forces all through their lives. I am glad the author has tried to use the word of God to find solution to people's dreams, it is commendable and I counsel you the reader to pursue after God's word.

Dreams are chaff compared to God's word which is the true seed of destiny.

Happy reading.
