You are wonderful team.

Preface

This book will be a blessing to your life and it will solve many of your spiritual problems on day to day dreams. The devil and his agent does not want you to read this book, but thanks be to God, you are reading it at last.

In the cause of writing and publishing this book I receive different type of attack from the kingdom of darkness, but the Lord delivered me and my family from them all, praise God. Because I am in the right place of my assignment doing what He has commissioned me to do. This book you are about to read is also part of the divine mandate handed over to me by the Lord Almighty to reveal the secrets of the dark kingdom, Look at this.

And there was with us a young man, an Hebrew servant to the captain the guard, and we told him and he interpreted our dreams to each man according to his dream he did interpret. Genesis 41:12

Then the king Nebuchadnezzar fell upon his face, and worshipped Daniel, and commanded that they should offer an oblation and sweet odour unto him Daniel 2:46.

Both Daniel and Joseph were gifted with the spirit of the most High God to interpret dreams to their own generation and their gift made enough room for them in the sight of the wicked kings like Pharaoh of Egypt and king Nebuchadnezzar of Babylon. These young men did not stand before common men but before kings in their time because they located their gifts and callings. This confirmed that both the rich and the poor dreams and both of them have the need to understand the interpretation of their dreams to correct their mistake before their destruction.

This book was written under the anointing of the Holy Spirit. All the interpretation, counseling and prayer points were revealed to me as I waited on the Lord in fasting and prayer for forty-two days before the Lord gave me the full meaning of some of these dreams. (Revelation 1:10) I am glad you are reading this book at last, praise God.

Lord Jesus, I pray you preserve and cover the readers of this book with your precious blood, and give them wisdom and knowledge to understand what I am about to reveal by the anointing of the Holy Ghost. I break every forces saying no to his or her deliverance and testimonies. I ask you this and thank you in the mighty name of your Son Jesus Christ. (shout Amen).

**Yours in the Lord - John Itodo
Apostle of Deliverance**

Introduction

I want to define dream as a supernatural happening or event that takes place while someone sleeps. No one has power to direct the kind of dream he or she want experience when sleeping.

PURPOSE OF DREAMS

(A) Dreams from God

- (i) To direct
- (ii) To reveal what is about to happen in your life.
- (iii) To correct with divine warming

(B) Dreams from Satan

- (i) To kill and to steal
- (ii) To destroy and to afflict
- (iii) To establish satanic covenant

I heard many people saying they do not believe in dreams or care to know the interpretation of their dreams. While some don't even remember their dreams. That is satanic manipulations so that you can not stop him (Satan) from carrying out his assignment. You can imagine what could have happened to the nation of Egypt if Pharaoh forgot his dreams, or Joseph is not there to interpret the dreams.

And it shall come to pass afterward, that I will pour out my spirit upon all flesh, and your sons and your daughters shall prophesy, and your old men shall dream dreams, your young men shall see vision. Joel 2:28.

As a deliverance minister, with all humility I was privileged to handle many spiritual cases for the past one decade. The most serious attacks most of these victims which I counsel received always come through their dreams. This does not exclude believers, pastors, pastor wives and church members. The devil does not fear or respect titles or religious claims.

In year 2006, a sister came to me from one of the neighboring church for deliverance, crying and weeping because she had suffered much

in the hands of the devil from the attack of poverty, afflictions of breast cancer on her right breast, cancer of the lungs, on her six months baby and rejection by her own husband and in-laws.

What a terrible experience this poor sister is passing through and all these attacks, which first came through her dreams without her knowing and to make things worse for her, she had a shepherd 'pastor' Who never believe in dreams and deliverance ministry.

But while men slept, his enemy came and sowed tares among the wheat, and went his way. Matthew 13:25

This sister came to my counseling section because she had a terrible dream that her head was cut off from her body and she saw blood gushing out of her neck. After narrating her dreams, without wasting time I told her the meaning of her dream and I place her on deliverance but instead of the deliverance she went back to her pastor for another counseling and her pastor told her to forget about the dream that nothing will happen to her, that dreams are products of mental pictures. Three weeks later this wonderful sister pass away because of this attack. I never set my eyes on her again until her death, it is most unfortunate that many believers, both men and women of God have no knowledge of what dreams are all about, so Satan and his cohorts takes advantage of their ignorance and attack them through dreams. It is my prayer that as you read through this book, the Lord will give you understanding to make use of the counseling inside and also pray the prayers of deliverance with an open heart and mind. My prayer for you is, may you not die the death of ignorance like this sister in Jesus name (shout a louder Amen).

To my co-labourer in the vine-yard, this book will be an eye opener for you, in deliverance ministry so that the sheep and the lambs that the Lord committed to our hands will not die untimely death in Jesus name.

But upon mount Zion shall be deliverance, and there shall be holiness, and the house of Jacob shall possess their possessions.

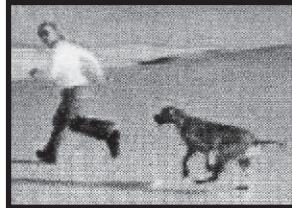

Obadiah 1:17

As you read this book the anointing of deliverance shall come upon you, in the mighty name of Jesus. If you believe shout a bigger Amen.

MY HOPE IS BUILT ON NOTHING LESS

SONG 7

My hope is built on nothing less
Than Jesus' blood and righteousness
I dare not trust the sweetest frame,
But wholly lean on Jesus name.

His oath, His covenant, His blood,
Support me in the whelming flood
When all around my soul gives way,

When he shall come with trumpet sound

Clothed in His righteousness alone,
Faultless to stand before His throne.
